### **Cultural Report for the Academic year 18-19**

10<sup>th</sup> annual function of DESBJCOP was conducted on 15<sup>th</sup> December 2018!

As there was no dearth of talent, it was possible for us to have a programme lasting almost 5-6 hours. Of course, we had also felicitated our prize-winners in the same function. But the enthusiastic response to the dances, skits and songs encouraged us to provide a different platform for these acts. Thereby, we started conducting the prize-distribution and the cultural functions separately.

Though we received an overwhelming response to the above decision, restricting the programme to only 3 hours (an imposition of the auditorium authorities), became a herculean task. But the cultural committees' cooperation has made this possible, which, I hope, continues.

The cultural week started with various days, as decided by the students and culminates in the annual function. The programme not only included dances on popular Bollywood songs, but also skits on current social situations. All these acts and skits were written and directed by the students themselves. The students also choreographed their own dances, which were theme based as well as popular numbers. They even arranged the music for the songs. The students arranged for everything, from the drapery to the costumes of the individual acts. The decorations too were designed by them.

The whole college was in a festive mood throughout the cultural week. The students decided themes for all the days of the week and everyone, including the teaching and administrative staff, participated enthusiastically in this. The cultural committee was managed to balance the festivities such that the discipline and reputation of the college are respectfully adhered to all the rules and regulations.

### **Cultural Report for the Academic year 19-20**

The annual gathering of DESBJCOP for this year was held on 10<sup>th</sup> February 2020. And the annual fest “ Rhythm” was held in February after the annual gathering. We had overwhelming participation from the students in songs, dance, skit categories. Songs included both bollywood and Hollywood numbers. Some of the dance numbers had participation of the entire class which was great to watch. It was really a task for the cultural committee to eliminate some and select few performances. The annual gathering was conducted very well with all the cooperation and support from the students, teaching as well as administrative staff.

The cultural week started with various days, as decided by the students and members of the cultural committee. Out of the three days planned, traditional day is something that all the students look ahead for. Everybody had come dressed in beautiful ethnic wear and had organized a small fashion show which was a treat to eyes. All the days and programs were written, planned and executed by the students with little help from the coordinators. The decorations too were beautiful .the students were also told to minimize the use of non biodegradable material for the decorations, which was very well executed by the students. It was really nice to see the different options they came p with in order to minimize the plastic use.

The whole college was in a festive mood throughout the cultural week. Along with all the students ,teaching and administrative staff, participated enthusiastically in this. The cultural committee surely managed to balance the festivities such that, the discipline and reputation of the college was respectfully maintained.

### **Cultural Report for the Academic year 21-22**

The annual gathering for the academic year 21-22 was held on 19/05/2022. As always we had overwhelming response from all the students. It was very difficult to actually eliminate few performances post audition. We had different performances under Hindi and English songs as well as great performances with the latest bollywood and tollywood numbers. It was surely treat for eyes. It would not have been possible without the relentless effort of the cultural committee and support from all the students.

Prior to the annual gathering three days were planned for the cultural week. This year's theme was as follows:

14<sup>th</sup> May 2022- Traditional day

17<sup>th</sup> May 2022- Digital day –“ LSCS: Like, Share Comment and Subscribe”

18<sup>th</sup> May 2022- Out of the Box Feel Free to break the stereotypes.

Traditional day has been a part of cultural week since many years but the rest of the two themes were very unique and appreciated by all the students.

All the days and the annual gathering was celebrated by all the students, teaching as well as administrative staff members in great zeal and enthusiasm. With all the celebrations utmost care was taken by the cultural committee coordinators and members so that the discipline and reputation of the college was respectfully maintained.

### **Cultural Report for the Academic year 22-23**

The annual gathering for the academic year 22-23 was held on 1<sup>st</sup> March 2023. As always we had overwhelming response from all the students. It was very difficult to actually eliminate few performances post audition. The performances were so good that we tried to reduce duration of few songs or encouraged the students to do medley so more performances could be included in the stipulated time. We had different performances under Hindi and English songs as well as great performances with the latest bollywood and tollywood numbers. It was surely treat for eyes. It would not have been possible without the relentless effort of the cultural committee and support from all the students.

Prior to the annual gathering three days were planned for the cultural week. This year's theme was as follows:

2<sup>nd</sup> March 2023- Retro Day

3<sup>rd</sup> March 2023- spooky day/ Halloween costumes

4<sup>th</sup> March 2023 – Traditional day

Traditional day has been a part of cultural week since many years but the rest of the two themes were very unique and appreciated by all the students. All the days and the annual gathering was celebrated by all the students, teaching as well as administrative staff members in great zeal and enthusiasm.
