## Activity Report

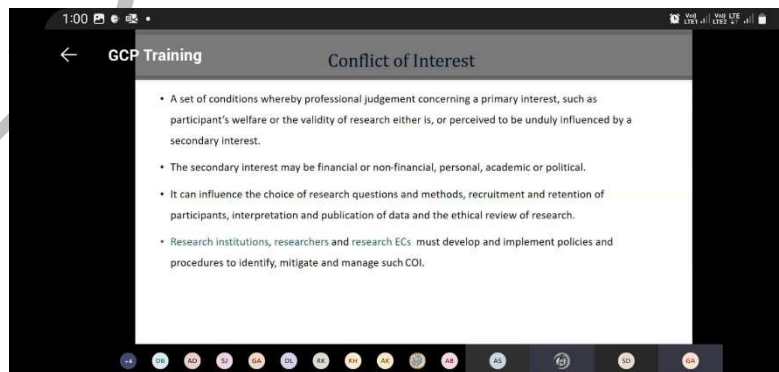

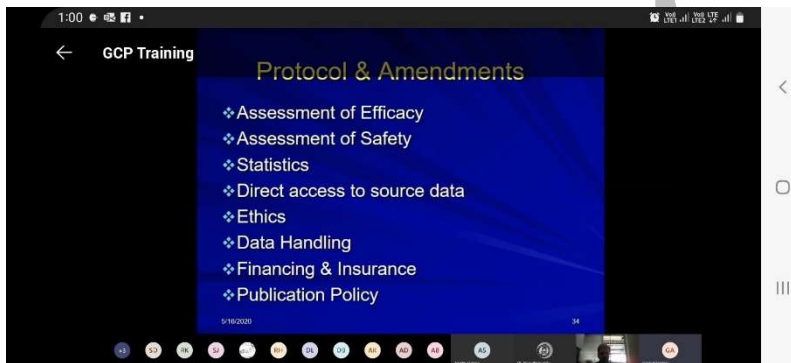

Date: 16.05.2020

### Good Clinical Practice

An online session was arranged for providing information on good clinical practice. The resource person was Dr. Vaishali Deshpande.

The basic principles of conducting research and practising in a clinical setting were discussed. Ethical concerns regarding research were especially highlighted.

This was an extremely important session as it gave clarity regarding the various research that are being conducted through the institute and gave guidelines on preparation of consent forms.
