### 2.5.3

1. Exam scheme as per MUHS –Since the college is affiliate to MUHS,it follows exam scheme given by MUHS for assessment.

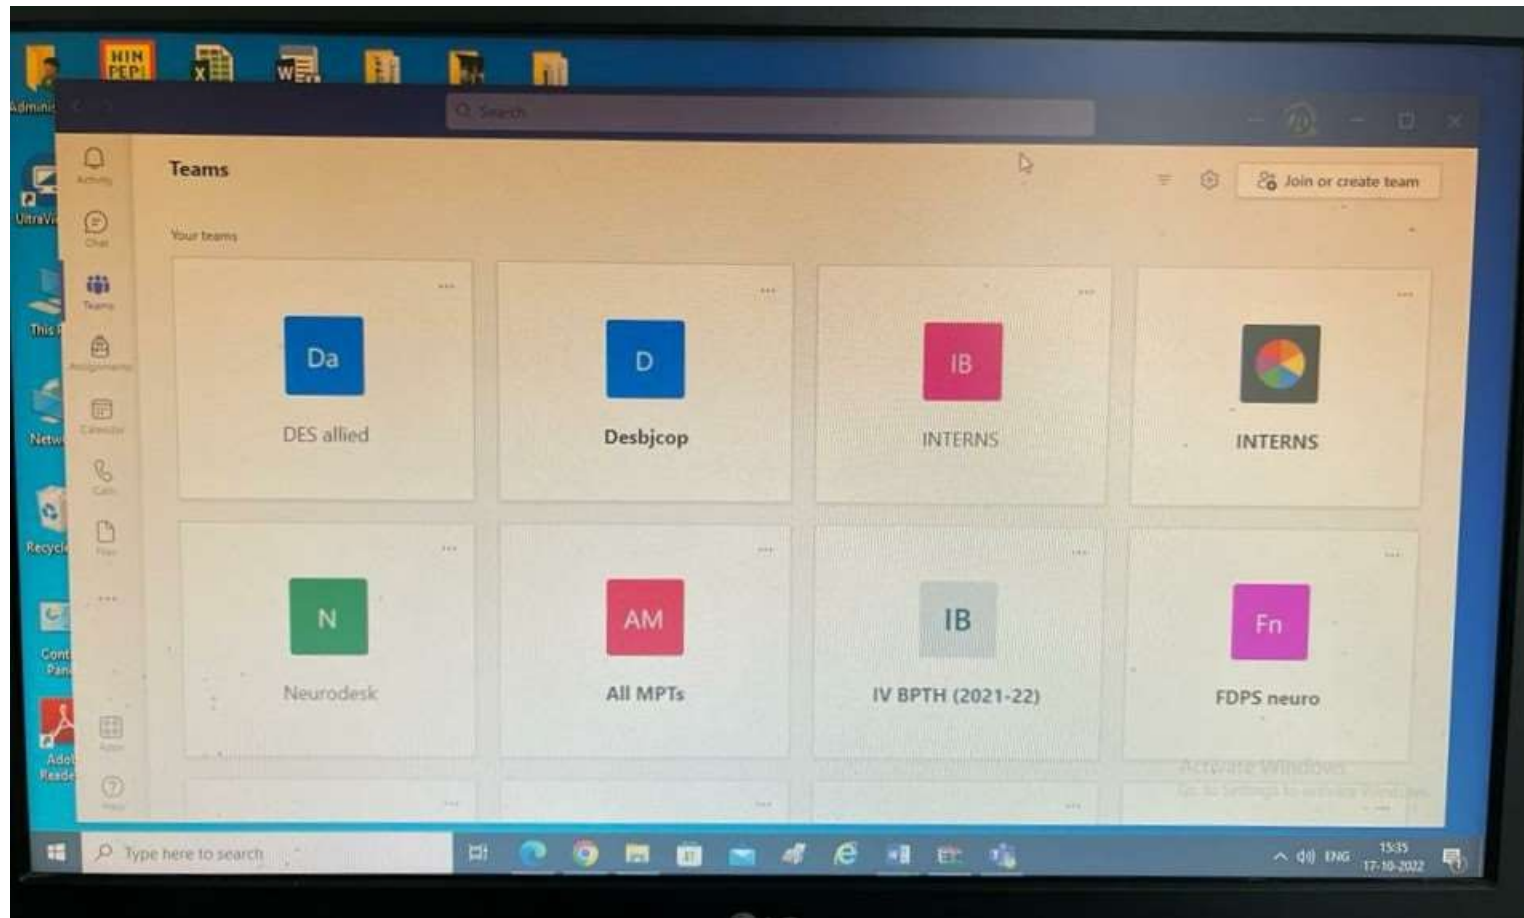

## INSTITUTE LEVEL REFORMS

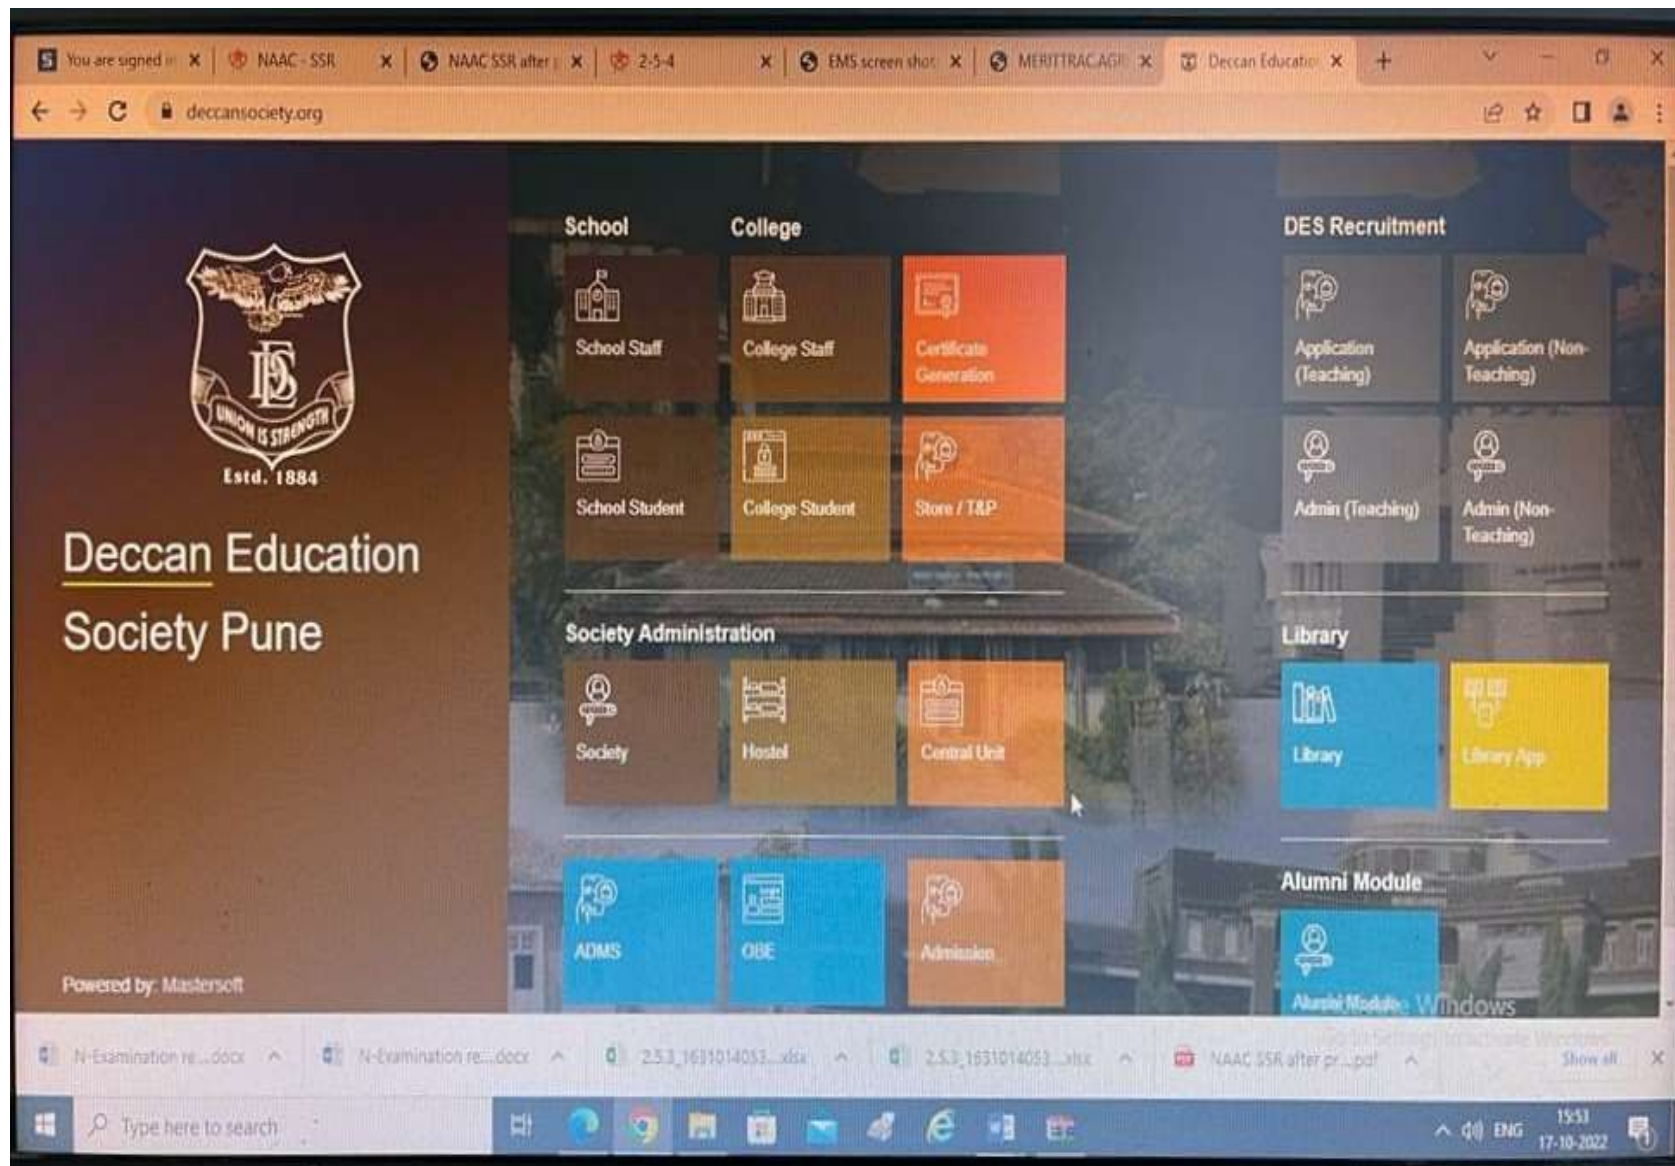

Processes integrating IT –

- **During covid-19, some practice exams and internal exams were taken using TEAMS and Google forms.**
- **College level assignments are given using IT regularly(using TEAMS and MS-ERP)**

i) TEAMS-Regularly used for assignments and practice tests-It was used as a method of teaching learning and practical assessment during covid period

ii)ERP-Regularly used to assignments, sharing study material

### Assignment on ERP

The screenshot displays the ERP system interface for Brijlal Jindal College of Physiotherapy, Pune. The user is logged in as Atiya Ajmalhusen Shaikh, with a session date of 17/10/2022. The interface shows a dashboard for a course titled "B.P.TH 3 YEAR - 51313 - FUNCTIONAL I". The dashboard includes a navigation menu on the left, a main content area with various icons for course management (Syllabus, Announcement, E-Library, Teaching Plan, Lecture Notes, Assignment, Obj. Que. Bank, Import Obj. Que, Create Test, Import Desc. Que, Des. Que. Bank), and an event calendar for October 2022. The user is logged in as Atiya Ajmalhusen Shaikh.

# ASSIGNMENT ON MS-TEAMS

The screenshot shows the MS Teams interface for an assignment titled "Poster making" due tomorrow at 11:00 AM. The left sidebar contains navigation options: Activity (4 notifications), Chat (1 notification), Teams, Assignments (selected), Calendar, Calls, Files, Apps, and Help. The main content area shows a list of assignments with columns for checkboxes, group names, status, and feedback. There are three groups listed, each with two members. A search bar "Filter by group name" is at the top right. An "Activate Windows" watermark is visible at the bottom right.

Name: Shaurya Zaru  
Age: 5 years 9 months  
Gender: male  
DOA: 10/05/23  
Dominance: Right hand  
Occupation: Student

C/c: Difficulty in walking on uneven surfaces & difficulty playing with peers of same age since 2 years.

H/OPI:

Prenatal Hx: mother took all medications & vaccines. No H/O infections, falls during prenatal period. Regular checkups were done throughout 9 months & No abnormalities were detected then.

Natal Hx: The mother came to the hospital as soon as her contractions became more strong & frequent. The labour was prolonged (7-8 hours). Normal vaginal delivery was done. Child did not cry immediately hence was admitted to the NICU for 2 weeks.

Post natal Hx: Parents noticed that the child was unable to sit till 1 year of age due to which doctor suggested physiotherapy till all milestones were achieved. Physiotherapy was discontinued at 4 years of age & currently child is self ambulatory but has difficulty with balancing while walking on uneven terrain.

## 2) Internal Examination-

- Academic calendar is shared with students at the start of the academic year to ensure that they are aware about the time lines for commencement of activities throughout the year.
- Two internal Exams are conducted for all year students i.e terminal and prelims. Theory and practical both exams are conducted as per university guidelines. Care is taken to ensure about **announcement of exam time table 2-3 weeks** before exam to ensure students get enough time for preparation. Policy for the same is in place and is followed strictly.
- Marks of the exam are announced within 15 days of commencement of exam.
- **Policy for exam audit** is followed strictly.
- Exam related grievances are addressed separately in consultation with subject experts and principal. Policy for the same is in place and is followed strictly. Any queries are addressed.
- Internal assessment is prepared and is submitted to university only after **seen and accepted** by student.
- Exams are conducted in separate halls ensuring no unfair means by using **manual supervision as well as CCTV coverage.**

Q1.

b. Rheobase :-  
 Rheobase is the minimum intensity required to stimulate a nerve and obtain response as motor contraction of the muscle innervated by the given nerve.  
 Motor contraction should be just perceivable under the pen electrode.

Rheobase

Chronaxie :-  
 Chronaxie is the time required to stimulate a nerve with minimum intensity that is twice of the rheobase.  
 Chronaxie less than ~~one~~ 1ms is considered normal

Chronaxie

Alterations in the rheobase and chronaxie give an idea about the innervation of the nerve / amount of motor fibres damaged.

## University Level Reforms

- ✓ Announcement of academic calendar
- ✓ Announcement of Exam form submission, exam time table(theory and Practical), Exam Center on University website.
- ✓ Hall tickets with exam seat no after exam form submission on University portal which is printed by college
- ✓ Exam conduction at center other than college for theory.
- ✓ Central paper setting so that all students for a year get same paper in all physiotherapy colleges across Maharashtra at the same time. This helps to avoid any unfair means.
- ✓ Printed seat no, barcode for scan, CCTV monitoring from Exam center and MUHS during exam, visits of flying Squad to ensure no unfair means happen during exam.
- ✓ Papers are sealed and sent with codes to university for central distribution for correction.
- ✓ Central Paper Assessment with only seat number revelation, assessment by two examiners on separate mark slips, moderator if difference is more inn marks given by both assessors to ensure minimal bias in assessment is done.
- ✓ Results are sent to university and shared by university on website after compiling the marks online.
- ✓ Students can apply for retotaling, photo copies as per university directives given on website within stipulated time. Results of which are sent by mail to student and college.
- ✓ **Login ID and password is given for the MPT students by the University** for communication related to submission of synopsis/dissertation, changes, queries, approval. **This ensures elimination of bias.**
- ✓ **Plagiarism check** is done before approving dissertation.
- ✓ **College and teachers have personal username and password for retrieving appointments of examination as internal, external examiners, central assessment program and Dissertation evaluation. Examination marks are submitted on portal using these credentials.**

## Automation in exam process

### College Level

- ✓ Sharing of academic calendar, exam dates , information related to exam on class what's app groups
- ✓ Sharing of study material on ERP,TEAMS
- ✓ Assignments/practice tests –online/offline (TEAMS/MS-ERP/PHYSICAL COPY)(for practice )
- ✓ During covid-practice ,exams and lectures were taken on TEAMS ,Zoom, whats app

### University level

- ✓ Announcement of academic calendar online by university
- ✓ Announcement of Exam form submission, exam time table(theory and Practical), Exam Center on University website.
- ✓ Hall tickets with exam seat no after exam form submission on University portal which is printed by college
- ✓ Exam conduction at center other than college for theory.
- ✓ Central paper setting so that all students for a year get same paper in all physiotherapy colleges across Maharashtra at the same time.This helps to avoid any unfair means.
- ✓ Printed seat no, barcode for scan ,CCTV monitoring from Exam center and MUHS during exam, visits of flying Squad to ensure no unfair means happen during exam.
- ✓ Papers are sealed and sent with codes to university for central distribution for correction.
- ✓ Central Paper Assessment with only seat number revelation, assessment by two examiners on separate mark slips, moderator if difference is more inn marks given by both assessors to ensure minimal bias in assessment is done.
- ✓ Results are sent to university and shared by university on website after compiling the marks online,
- ✓ Students can apply for rechecking, photo copies as per university directives given on website within stipulated time. Results of which are sent by mail to student and college.

- ✓ **Login ID and password is given for the MPT students by the University** for communication related to submission of synopsis/dissertation, changes, queries, approval. **This ensures elimination of bias.**
- ✓ **Plagiarism check** is done by university before approving dissertation.
- ✓ **College and teachers have personal username and password for retrieving appointments of examination as internal, external examiners, central assessment program and Dissertation evaluation. Examination marks are submitted on portal using these credential**
