PARENTS TEACHERS MEETING FOR THE III BPTH

13/2/23

(ACADEMIC YEAR 22-23)

The first parents- teachers meeting for the academic year 22-23 was held on 10th February 2023 at 3.30 PM. All the students were informed about the same 10 days prior and the meeting was scheduled on online platform to make it convenient for everyone to join. A link was created on Microsoft Teams for the same and was circulated among the students.

Firstly, the parents were introduced to the principal, Dr. Snehal Joshi (PT) and the III year class coordinators, Dr Atiya Shaikh(PT) and Dr. Aditi Berry(PT). They were given an overview of the subjects and the exam pattern for the third year. As there are many subjects in third year, the students were asked to attend all the classes regularly and try to keep up with the pace. As some of the external lectures are conducted by doctors who also have hospital commitments, the students were informed that few lectures might have to be scheduled before 9 am and after 5 pm.

Another important agenda of the meeting was clinical postings. The parents were informed about the importance of attending clinical postings regularly. Regular discussions and case presentations are taken by the faculty members at their respective postings which facilitate the process of clinical learning. The students have been given prior intimation about their posting schedule and are expected to adhere to it. Parents were also informed about the transport facility that is made available for the postings but like previous batches, these students also prefer to travel by their private transport arrangement than using the bus facility.

After answering their queries related to lectures and clinical postings, they were informed that the next meeting would be conducted after their terminal examination. The meeting was then concluded.

PARENTS TEACHERS MEETING FOR THE III BPTH

(ACADEMIC YEAR 22-23)

Agenda: Marks distribution

Attendance

Tentative exam schedule

Feedback if any

Second parent's teacher meeting for the academic year 2022-23 was held on 4th September 2023 at 4 pm on online platform. Prior notice about the meeting was sent to the parents through the students. All the parents were informed once again about the importance of attending lectures and clinical postings regularly. University norms regarding attendance requirement in order to fill the exam forms and in order to be eligible to appear the university exams. Parents were also informed that the students need to submit an application stating their dates and reason for absenteeism on the official email id created for the third year batch. Students have been very irregular regarding the same. So the parents were informed about this too. They were also informed that in case of absenteeism due to any reason the class coordinators and posting in charges need to be informed about the same.

Regarding academics, terminal examination marks have already been told to the students and they have seen all the answer sheets. Parents were informed about the same. Parents were also informed about the mentor mentee program which is run

by the college in order to improve communication between the faculty and the students, so that they can approach their respective mentors to seek guidance regarding any of their academic issues, or coping strategies. The parents were also informed that the syllabus is almost on the verge of completion, so that the students get adequate time in their preparatory leave. Syllabus for all the subjects will be completed by end of this month. Tentative exam date for preliminary examination would be October. The reason for scheduling it in October is that the students get adequate time for the preparatory leave.

The parents were also informed that the Internal Assessment signing will be scheduled once the software is made available by the university on their website. This is mostly put up during their preparatory leave so the parents were informed that the students need to be available for the same, as the signing needs to be done and sent collectively, it will have to be done on the same day.

Few of the parents had queries regarding the attendance part which were clarified. The meeting was then concluded.

PARENT TEACHER MEETING

Class- I-year B.P.Th.

Academic year 2021-22

Topic: Discussion over Internal assessment Marks and attendance

PTM for first year students for the Academic year 2021-22 was held on 9.12.2022 at 11am in a hybrid mode (online as well as offline)

Email regarding the meeting details was sent to the parents one week prior.

During the meeting, I-year class coordinator Dr. Abha Dhupkar (PT) informed the parents about the students' performance in terms of marks obtained in terminal and prelims exams. Parents were explained how the internal assessment calculations were done and implication of IA marks on overall university exam.

Parents were also shown the progress of the students by comparing the terms and prelims marks wherein few students scored more in prelims than terminals but for few students marks were less in prelims.

It was also observed that the students have very casual approach towards attendance and there was a lot of absenteeism seen even during exams.

It was informed that the university approves for separate conduction of internal exams if the students have missed the exams only because of medical reason. Absenteeism during lectures and exams without valid reason is discouraged.

Students have to compensate for lack of their attendance during the preparatory leave for which parents have agreed.

Principal, Dr Snehal Joshi briefed the parents about the schedule -Preparatory leave from mid December followed by university exams, Vacation for 10-15 days and then commencement of second year even before the results are declared . Clinical postings and conduct for next year was briefed to the parents.

She also suggested that the students should attempt the question papers from previous years and discuss them with the Mentors .

Parents were made aware that Question Bank and model answers are available in library and it is encouraged that the students should refer it .

Parent's feedback was taken where parents asked to increase the number of assignments for students for writing practice and even taking the parent's signature on the assignment so they are aware about the ongoing studies.

Parents also suggested that the mentor mentee report to be sent to them so that they can track the students' performance over time and communicate with the Mentors

Parents noticed that students are aiming for minimum marks during exams for which the faculty should encourage them to aim for maximum marks

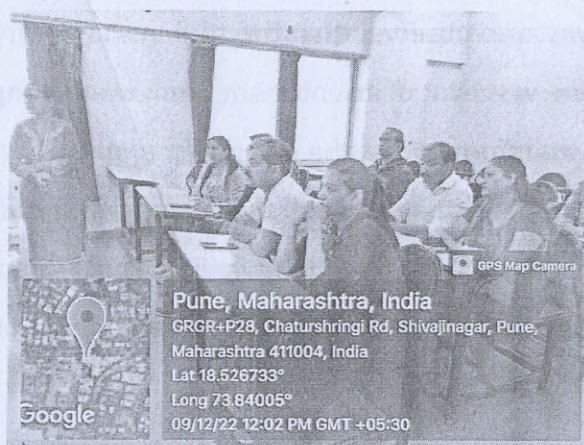

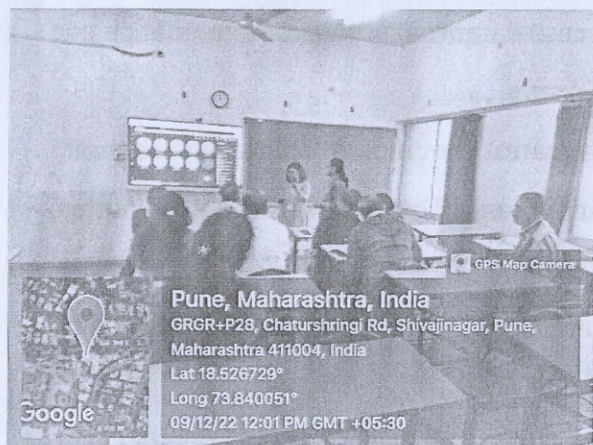

Also counsel the students regarding the performance in terminals and prelims and compare to what can happen in the university with this performance

Parents suggested to keep changing the peer group for studies and practical revisions.

Dr Abha Dhupkar told the parents that they can contact the coordinator for any query or suggestion between 9 and 10 and 2 and 4 with prior appointment.

Towards the end of meeting, the coordinators solved the individual queries.

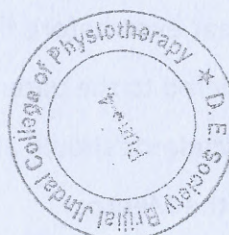

Minutes of the meeting would be shared with parents who could not attend it

PARENTS TEACHERS MEETING FOR THE III BPTH

(ACADEMIC YEAR 21-22)

The first parents- teachers meeting for the academic year 21-22 was held on 5th February 2022 at 9.30 am. All the students were informed about the same 10 days prior and the meeting was scheduled on online platform to make it convenient for everyone to join. A link was created on Microsoft Teams for the same and was circulated among the students.

Firstly, the parents were introduced to the principal, Dr. Snehal Joshi (PT) and the III year class coordinators, Dr Atiya Shaikh(PT) and Dr. Aditi Berry(PT).then the parents were informed about the completion of terminal examinations , and that the students have done fairly well in their examination.

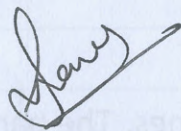

They were informed about the tentative plan to finish their syllabus by March 22 so that the preliminary examination can be scheduled in April, the time table for which will be displayed at least 15-20 days prior to the examination. Students and parents were also informed about the possibility of the final University Examination to be scheduled in July 2022.

Another important agenda of the meeting was clinical postings. The parents were informed about the importance of attending clinical postings regularly. Utmost care and precaution is taken by the college to minimize the chances of infection. The students are requested and expected to take all the necessary precautions to minimize the spread of COVID.

Some of the parents appreciated the efforts put in by the college faculty to ensure the best possible teaching learning experience in these testing times.

Some of the parents raised concern as to if this batch is missing out majorly as far as their clinical exposure is concerned. The parents were assured that this won't be a problem until the students attended the clinical postings regularly. There are measures like case presentations, discussions which are taken by in charge faculties during their clinical posting hours. They were also assured that they won't miss anything major, until they attend their postings regularly. They were also reassured that they have only missed their clinical postings in their second year which is supposed to be more of observational than hands on.

After elaborating all the measures that the college is undertaking to ensure the safety of students and yet maximizing their learning experience, the meeting was concluded.

PARENT TEACHER MEETING

Class- IV-year BPTH

Academic year 18-19

Parents teachers meeting for the Academic year 18-19 was held on 28.7.2018

All the students were informed about the same 10 days prior.

IV-year class coordinator Dr. Shreya Dhake Dr. Namrata Sidhaye informed the parents about approaches to improve student's performance , students evaluation during clinical posting based on attendance, case presentation , clinical and patients .

Students have to maintain clinical log book in which documentation of treatment progression of patients seen by them daily, duly signed by the staff, over which the students would be graded.

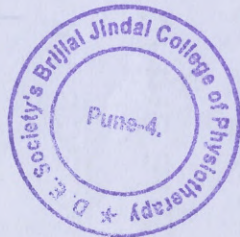

The students should complete atleast 4 cases of each subject by terminal

Parents were informed about minimum percentage of attendance required to be qualified for university exams. Parents raised concern about students doing adequate case

presentations for which they were assured that concerned faculty posted at the clinic and class incharge will encourage students for case presentations and documentations. Steps for the same will be discussed and shared in future with the students. No other concerns were raised by parents.
