Committee Name: Anti Ragging Committee.

Activity Name: Guest Lecture on “ **Abidance of anti- ragging laws**”

Date: 30<sup>th</sup> December 2023 at 11 am

Venue: Classroom 3

**Resource Person: Dr. Janhavi Ghodke**

Aim/Purpose: To Sensitize the Students against the ill effects of Ragging in College and abidance to the anti ragging laws.

Participants: 1<sup>st</sup> Year B.P.Th Students.

Details of Activity:

As per the MUHS Guidelines dated, students should refrain from any act of ragging. For the same to sensitize the students against the ill effects of ragging lecture was arranged for the 1<sup>st</sup> Year B.P.Th students on “Abidance of anti ragging laws” by Dr Janhavi Ghodke from DES Navalmal Firodia Law College on 30<sup>th</sup> December 2023. Students participated enthusiastically in the event. It was a pleasure to know that our students have views that are against ragging and are aware of the ill effects of ragging. The students also pledged not to indulge in such activities and to report any such issues if they ever observe or come across.

5	5	5	5, 4	5	5	Amaazingggggg workshop. Learnt a lot. Absolutely no. Suggestions just that there was a lot of mental fatigue every now and then from my side which might resuly in less retention of knowledge. If it was in sessions of 3-4 hours it would have been literally the best. It still was the best. Thank you soo muchh sir. You're inspirational and so are your patients.
5	5	5	5	5	5	Not so really actually I feel little much confident to treat neuro patient now, thanks to you sir !
4	4	4	5	5	5	Would've appreciated the workshop being conducted over 3 days instead of 2 because theres a lot to learn and would be easier if it was in shorter bouts
5	5	4	5	5	5	
5	5	5	5	5	5	
5	5	5	5	5	5	I truly appreciate Sir for teaching us so nicely. I enjoyed every minute of the lecture. I was always interested in neuro and this workshop just increased my interest in neuro rehab. Thankyou so much sir for taking out time and sharing your knowledge. Thankyou.

## Activity Report

**Name of activity:** Industrial Visit

**Name of Coordinator:** Abha Dhupkar

**Date of camp:** 22.12.2023

**Site of camp:** Western India Forgings Ltd., Sanaswadi

### Objectives:

1. Performing an ergonomic survey.
2. Evaluation of workers of the factory.
3. Linking ergonomics, worker assessment to form a composite concept of industrial therapy.

**Participants in the camp:** MPT students: Akanksha Wadodkar, Siddhi Bhute, Ashwini Gajbhiye, Nishita Choudhari, Ketaki Jadhav, Pranjali Kulkarni

**Beneficiaries of the camp:** Workers of the factory

**Number of beneficiaries:** 34

**Materials used in the camp:** Google form, tape measure, stethoscope.

**Camp details:** Students arrived on site at 10 am. They proceeded for a floor visit and an ergonomic survey, after which they evaluated the factory workers. The workers were evaluated to identify their posture, range of motion, pain pattern as present, eye and ear issue. The responses provided by the workers were entered in the google form by the students.

### Output:

1. The students observed and analysed the different tasks performed in a factory setting.
2. The workers' present health status was identified.
3. The students linked actual ergonomic worksite assessment and health evaluation of the workers to identify areas where they could have a role to play in industrial therapy.
4. The students' administrative skills and team building were targeted, where they had to coordinate with the point of contact at the factory, the faculty and amongst each other as well.

**Online/offline:** Offline

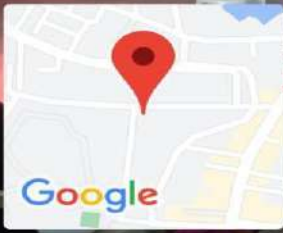

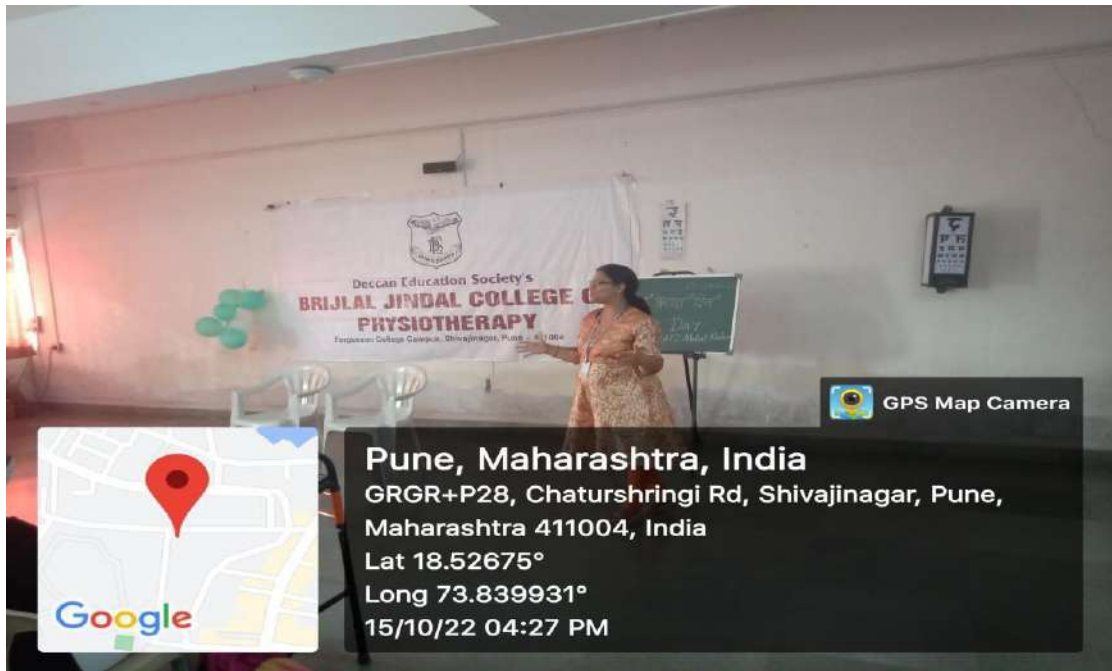

**Outline of activity:**

**Objectives:** In the state of Maharashtra, October 15<sup>th</sup> is celebrated as the “**Reading Inspiration day**”, the birthday of former President of India and renowned scientist Dr. A P J Abdul Kalam. The main objective of this day is to create interest in reading.

**Outcome:** On this occasion MPT student Lynn Fernandes gave a brief information about the podcast. She loved to read since childhood and how it made her love to write. Vaidehi Watve, a 2<sup>nd</sup> year student said that good quality reading is very important for quality writing and reading should be done with the mind and not with the eyes. This time there was a spontaneous response from the students.

**Name of Coordinator:** Abha Dhupkar

**Department:**Community PT

**Date:**25.09.2021

**Place:**Yavat, Daund Taluka

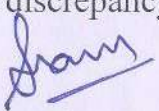

**Online / Offline:**Offline

**Outline of activity:**This camp was arranged in collaboration with Bharat Vikas Parishad's Viklang Punarvasan Kendra. BVP had arranged a prosthesis measurement and distribution camp for amputees in and around Daund. These prostheses were distributed to the beneficiaries in this camp.

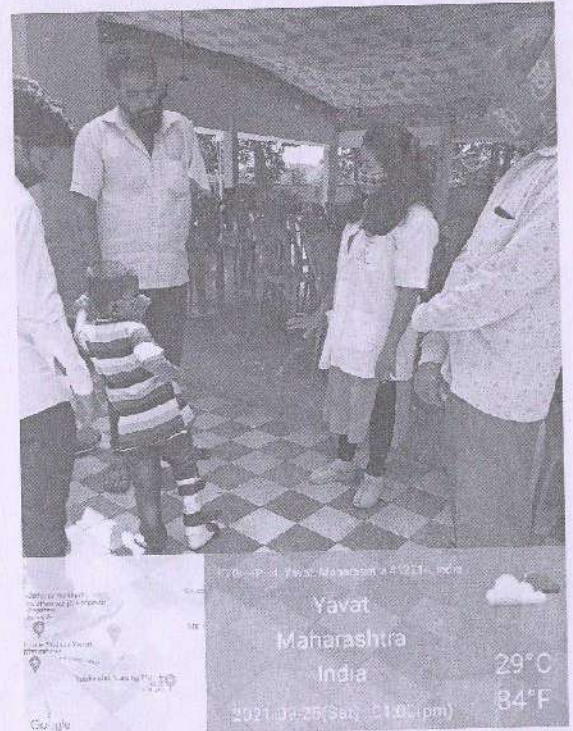

Community department's PG students, Akshay Salve, Juilee Khadke and Kruttika Zala, and faculty, Abha Dhupkar, attended this camp.

- a) **Objective:**To provide post-prosthetic fitting gait training and exercises.
- b) **Participants/ Attendees:**80 beneficiaries had been identified in a previous camp by BVP. Around 50 of these beneficiaries received their prosthetic limbs in this camp.
- c) **Outcomes:**12 of these beneficiaries were taught exercises to maintain muscle strength and length. They were also taught gait training and specific exercises to perform to improve gait.
- d) Other than these beneficiaries, 3 children were also assessed for delayed milestones, delayed development, and lower limb length discrepancy.

# Amputee Rehab: A patient Perspective

23rd April 2022 2-3 pm

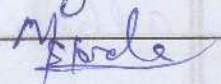

Speaker: Aditi Kulkarni

## Student Feedback.

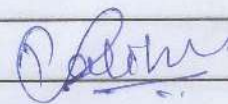

II. B.P.Th → It was a good interactive session. We realized small minor yet important aspects of daily functional activities. Post rehab. patient goals should be considered. We got sensitized to patient needs.

- Vaidehi 

III B.P.Th → It was very helpful. We realised the problems faced by the patient esp in the vocational and recreational facility.

Hearing Aditi ma'am's experience about Physiotherapy interventions about after the amputation really helped us to have a realistic education about patient rehabilitation.

IV B.P.Th: It was an extremely informative & beautiful session, we got to know the patient's perspective to plan an individualised realistic & patient oriented goals.

II MPT -

Hearing what Mrs. Aditi emphasized on, a clarity of how physiotherapy clearly makes an impact is seen. In every 5 minutes of the discussion/conversation she had, she emphasized how her PT made her do exercises both in a orderly way/in a subtle manner commands, importance of exercise, communication and how the behavior of a PT plays a role in adherence for treatment was made clear.

1<sup>st</sup> MPT

It was an informative session. Somewhere it has changed our perspective towards the patient's treatment and how important it is to understand patient's end goals. We understood that communication is very important and plays a functional role. We also realised Mrs. Aditi Kulkarni, you're a source of inspiration for us youngsters to not give up on anything. Thankyou so much for guiding us.

## Camp Record

**Name of camp:** DESBJCOP and ILC-I Physiotherapy Assessment Camp.

**Date of camp:** 18.06.2022

**Site of camp:** Erandawane Jyeshtha Nagarik Sangha

**Participants in the camp:** Abha Dhupkar, Komal Valesha, Riya Jain, Kartiki Bhilare, Lynn Fernandes, Nikita Kolhe, Alfaiz Tamboli, Pravin Chavan, Palak Darda, Bhargawi Dhomane.

**Beneficiaries of the camp:** Members of the Erandawane Jyeshtha Nagarik Sangha

**Number of beneficiaries:** 11

**Materials used in the camp:** Sphygmomanometer, cones, measuring tape, weighing machine, record sheets, outcome measures – MoCA, GDS, TMT A and B.

**Camp details:** The students and faculty set up the camp site by 9:15 am, with each student assigned a station for assessment. The camp beneficiaries registered with the ILC-I representative and circulated through the different stations for their evaluations. The stations were as follows: demographic data, height and weight, FRT, TUG, MoCA, GDS, TMT A and B, 2MWT, evaluation, and exit.

The elders completed all the evaluations and submitted the assessment sheets at the exit counter. A counterfoil was provided to them, with the details of their assessment. Any queries that the elders had were answered at the stations or the exit counter.

**Name of Activity:** Primary Health Centre Loni Kalbhori Visit

**Name of Coordinator:** Abha Dhupkar

**Department:** Community PT

**Date:** 23.05.2022 and 25.05.2022

**Time:** 9 am to 4 pm.

**Place:** Loni Kalbhori

**Mode:** Offline visit

**Outline of the activity:** A visit to the Loni Kalbhori PHC was arranged for the students to understand the working of the health care delivery system. The primary health centre is the first tier of India's health care delivery system and the Loni Kalbhori PHC has been awarded as the Best PHC for two years by the Maharashtra Government.

The students interacted with anganwadi workers and the community health workers to learn how health is taken to the doorstep of each individual of the community. They learned of the drives that these workers undertake to create awareness of various health-related issues and how they bring about a positive impact in their community's health. The students were able to see how the chief medical officer conducted a session on antenatal care for the pregnant women in localities covered by the PHC.

a) **Objectives:**

b) **Participants / Attendees:** Community MPT students, IV and III B.P.Th. students

c) **Outcome:**

- The Community PT MPT students saw the functioning of a PHC and understood the intricacies of running health programmes. They also received information about the administrative aspects of running a health care programme.
- The III and IV B.P.Th students interacted with grass-root level health workers and identified the difficulties of reaching out to a community. They also found out the different perceptions of health workers to conducting their jobs.

## Training Report

**Module for:** Community Helper training module.

**Date of Training:** 21.09.2022.

**Site of Training:** D.E.Society's Brijlal Jindal College of Physiotherapy, Pune.

**Participants in the camp:** Abha Dhupkar, Riya Jain, Komal Valesha, Kartiki Bhilare, Lynn Fernandes, Nikita Kolhe, Alfaiz Tamboli.

**Beneficiaries of the camp:** Aarti Shinde, Shobha Bhor, Namrata Adhikari, Vaishali Adsul, Mukta Temghare.

**Number of beneficiaries:** 5

**Materials used in the camp:** Yoga mats, chairs, plinths.

**Training details:** The college and Seva Arogya Foundation are collaborating on providing physiotherapy care to the low socio-economic strata women, who are unaware and unable to access this component of healthcare.

The Arogya maitrins were identified by the prakalp samanvayak, Aarti Shinde. A schedule was set up for them to receive training regarding the exercises to be performed at the college. accordingly, they reported to college at 2 pm and the training session started after introductions of all present. The project was explained in brief and the outline of the session was provided. Exercises were demonstrated twice to the ladies, once on a college student and once on a volunteer from amongst the 5 of the trainees.

After demonstrating the exercises, the ladies were asked their region of preference. Based on this, the students and trainees divided into groups and the students ensured that the ladies were able to perform the exercises appropriately. The ladies' ability to command or give instructions of the exercise was also checked and appropriate corrective commands were provided to them.

The whole training session was for 2 hours. The trainees were enthusiastic and eager to start working with the already identified participants at the various SAF OPDs.

# Prosthesis Assessment Camp at BVPP, Pune

Rotary Club of Pune metro Vatsalya Trust Mumbai & Bharat Vikas Parishad Punarvasan had conducted Camp on 22<sup>nd</sup> May 2022 (9.00 a.m. to 3.00 p.m.) for distribution of artificial limbs for all types of amputees and calipers distribution for polio and cerebral palsy patients.

Total 60 patients took benefit of the camp. Our students did assessments of patients, wheelchair bound amputees were given crutch training, strength and balance exercises were demonstrated and advised. Students saw how measurement of prosthesis are taken. Prosthesis and orthotics professionals also explained them about measurements and modification to be done. Many patients were unaware about improving strength, balance and endurance of limbs before prosthesis fitting. Almost 90% patients didn't receive strengthening and balance training post discharge from the hospital. Overall patients lacked knowledge about rehabilitation centers and Physiotherapy centers available for the treatment. This Camp gave our students very enriching exposure. Distribution of the prosthesis will be conducted on 19 June 2022.

Madam,

**Conduct of Workshop on Physiotherapy at our Bank Premises at F C Road Pune**

We extend a gesture of gratitude to your office for deputing Dr. Deepti Bhole and her team for volunteering a workshop on physiotherapy to officers on the occasion of Bank's foundation day on Oct 1, 2019. The lecture was highly educative and handy for creating awareness about proper sitting postures especially during sitting at workstation for long hours at office. Workshop also helped remove misconception about physiotherapy as the subject also relates to treatment on neurological and cardiac issues that too cure is without medication.

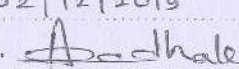

We once again appreciate the volunteer efforts put by your team and look forward for more such workshops in future for the benefit of our staff/employees.

Thanking you !!

Sincerely yours,

## Camp Record

**Name of camp:** Geriatric Camp

**Date of camp:** 25.08.2018

**Site of camp:** Old Sanghvi

**Participants in the camp:** Staff and students of D.E.Society's Brijlal Jindal College of Physiotherapy and members of the International Longevity Centre – India.

Staff members: Abha Dhupkar, Atiya Shaikh, Aditi Berry

Students: Mithila Pawar, Farheen Patel, Rashida Hamid, Richa Shah, Komal Patel, Priya Joshi, Sneha Jose, Pratiksha Sankhe, Rucha Deshpande.

**Beneficiaries of the camp:** Geriatric individuals of the old Sanghvi area.

**Number of beneficiaries:** 60

**Materials used in the camp:** Assessment forms, Geriatric depression scale, Montreal Cognitive assessment scale, peak flow meter, Micro RPM, cones, weighing machine, measuring tapes, exercise charts.

**Camp details:** The camp was organised in collaboration with the International Longevity Centre – India and was conducted to perform an initial evaluation of the geriatric individuals of the Old Sanghvi area.

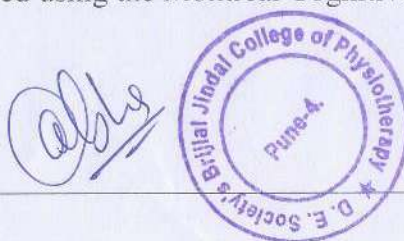

The Senior Citizens' Association of the Old Sanghvi area had very graciously allowed us to use their headquarters to conduct the camp. Multiple stations were set up for different tests to be performed. The individual was evaluated at each station and the result of the test was recorded there. A separate bed had been set up for an overall musculoskeletal evaluation of the individual.

A baseline evaluation was performed which charted the individuals' height, weight, blood pressure and body mass index (BMI).

Tests that were performed were as follows:

1. PEFR
2. Inspiratory and expiratory muscle strength
3. Timed up and go test
4. 2 minute walk test

The Geriatric Depression Scale was used to identify the level of depression in these individuals. The cognitive function was assessed using the Montreal Cognitive Assessment scale.
