A student is primarily an person, enrolled in a school, or other educational, institution who attend classes in a course to attain the appropriate, level of mastery, of a subject under the guidance of an instructor and who devotes time, outside class to do whatever, activities the instructor assigns that are necessary either for class preparation or to submit evidence of progress towards that mastery. In the broader sense, a student is anyone who applies themselves to the intensive intellectual engagement with few matters necessary to master it as parts of some practical affair in which such mastery are basic or decisive.
