The Arogya maitrins were identified by the prakalp samanvayak, Aarti Shinde. A schedule was set up for them to receive training regarding the exercises to be performed at the college. accordingly, they reported to college at 2 pm and the training session started after introductions of all present. The project was explained in brief and the outline of the session was provided. Exercises were demonstrated twice to the ladies, once on a college student and once on a volunteer from amongst the 5 of the trainees.

After demonstrating the exercises, the ladies were asked their region of preference. Based on this, the students and trainees divided into groups and the students ensured that the ladies were able to perform the exercises appropriately. The ladies' ability to command or give instructions of the exercise was also checked and appropriate corrective commands were provided to them.

The whole training session was for 2 hours. The trainees were enthusiastic and eager to start working with the already identified participants at the various SAF OPDs.

Outline of activity:

Madhav Golwalkar guruji school had organized sports days from 16th to 18th November at their school ground and Physiotherapy interns from DES Brijlal Jindal College of Physiotherapy were appointed as the official Physiotherapy partner for the entire event. Various sports like Cricket, Football, Rally race, Dodgeball ball, Kho kho were organized and played by students ranging from 8th standard upto 10th standard (boys and girls) who were divided into various teams. Physiotherapists got to see and treat various injuries, most commonly ankle sprains, bruises, ligament sprains, muscle strains and calf cramps. Thanks to Mr. Nimbalkar, the head coach and an important member of the organizing board and his team, he also provided us with the necessary first aid kit required to tackle these injuries along with the kit brought along by the physiotherapists themselves. Mild injuries like sprains were treated with techniques like MET, analgesic sprays and if necessary crepe bandages were applied. Other injuries were treated with antiseptics, bandages and rest.

Outline of activity: Rotary Club of Pune Metro, Vatsalya Trust Mumbai and Bharat Vikas Parishad Punarvasan had conducted a camp for distribution of artificial limbs for all types of amputees and calipers for polio and Cerebral Palsy patients.

Total 60 patients took benefit of the camp. Our students did assessments of patients. Wheelchair bound amputees were given crutch training, strength and balance exercises were demonstrated and the same were advised to be performed at home as well. Students saw how measurements of prosthesis are taken. Prosthesis and orthotics professionals also explained them about measurements and modifications to be done. Many patients were unaware about improving strength, balance and endurance of limbs before prosthesis fitting. Almost 90% of the patients didn't receive strengthening and balance training post discharge from the hospital. Overall, patients lacked knowledge about rehabilitation centres and physiotherapy centres available for the treatment. This camp gave our students very enriching exposure. Distribution of the prosthesis through this measurement camp will be conducted on 19th June 2022.

Outline of activity: Rotary Club of Pune Metro, Vatsalya Trust Mumbai and Bharat Vikas Parishad Punarvasan had conducted a camp for distribution of artificial limbs for all types of amputees and calipers for polio and Cerebral Palsy patients.

Total 60 patients took benefit of the camp. Our students did assessments of patients. Wheelchair bound amputees were given crutch training, strength and balance exercises were demonstrated and the same were advised to be performed at home as well. Students saw how measurements of prosthesis are taken. Prosthesis and orthotics professionals also explained them about measurements and modifications to be done. Many patients were unaware about improving strength, balance and endurance of limbs before prosthesis fitting. Almost 90% of the patients didn't receive strengthening and balance training post discharge from the hospital. Overall, patients lacked knowledge about rehabilitation centres and physiotherapy centres available for the treatment. This camp gave our students very enriching exposure. Distribution of the prosthesis through this measurement camp will be conducted on 19th June 2022.

Participants/ Attendees: 4 IV year students and 1 faculty

Ultra Dynamo

This was the World's longest multi distance foot race for a Guinness World record attempt race performed by Mr. Ashish Kasodekar. He ran 60 full marathons consecutively for 60 days from 28th November- 26th January at Savitribai Phule University, Pune. Enthusiast runners who were interested were also welcomed for the run. Choice of 5km, 10km, 21km and 42km was open for the runners. There was a great response from all the age groups across Pune. Our Physio team, Final year students and Interns were appointed for on field Physio support for all 60 days. The team provided recommendable support in form of first aid support, Stretching, Warm-up and Cool-down Exercises for Mr. Ashish and other runners too. Some of the students had also participated and successfully completed the 5km, 10km, and 21km marathon.

The felicitation ceremony was conducted on 26th february , where all the successfull runners were felicitated. A special recognition and trophy was given to Physio team for the great help rendered for the event. Staff of the college, Dr. Apoorva Likhite- Pavnaskar(PT) and final year students were present at the felicitation ceremony.

DES Brijal Jindal College of Physiotherapy Pune

We would like to thank you for volunteering and showing support and dedication to the Ultra Dynamo Series - World's Longest Multi Distance Foot Race, which was a part of Guinness World Record Attempt for Most Consecutive days to run a Full Marathon (Male) by Ashish Kasodekar. Ultra Dynamo started from 28th Nov 2021 to 26th Jan 2022 at Savitribai Phule Pune University, Pune.

Ultra Dynamo would have never been able to fulfil its mission of meeting the needs of the running community without the support from your college's intern and final year students and generosity of volunteers like you. Your willingness to dedicate your time and resources are greatly appreciated.

Thank you

Madam,

Conduct of Workshop on Physiotherapy at our Bank Premises at F C Road Pune

We extend a gesture of gratitude to your office for deputing Dr. Deepiti Bhole and her team for volunteering a workshop on physiotherapy to officers on the occasion of Bank's foundation day on Oct 1, 2019. The lecture was highly educative and handy for creating awareness about proper sitting postures especially during sitting at workstation for long hours at office. Workshop also helped remove misconception about physiotherapy as the subject also relates to treatment on neurological and cardiac issues that too cure is without medication.

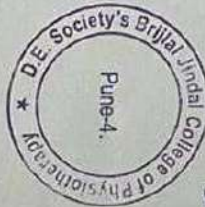

We once again appreciate the volunteer efforts put by your team and look forward for more such workshops in future for the benefit of our staff/employees.

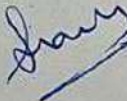

Thanking you !!

Sincerely yours,

DGM, IDBI F C Road Office, Pune

Camp Record

Name of camp: Geriatric Camp

Date of camp: 25.08.2018

Site of camp: Old Sanghvi

Collaborating agency: ILC,OLD SANGHAVI

No.of students participated: 9

Participants in the camp: Staff and students of D.E.Society's Brijlal Jindal College of Physiotherapy and members of the International Longevity Centre – India.

Staff members: Abha Dhupkar, Atiya Shaikh, Aditi Berry

Students: Mithila Pawar, Farheen Patel, Rashida Hamid, Richa Shah, Komal Patel, Priya Joshi, Sneha Jose, Pratiksha Sankhe, Rucha Deshpande.

Beneficiaries of the camp: Geriatric individuals of the old Sanghvi area.

Number of beneficiaries: 60

Materials used in the camp: Assessment forms, Geriatric depression scale, Montreal Cognitive assessment scale, peak flow meter, Micro RPM, cones, weighing machine, measuring tapes, exercise charts.

Camp details: The camp was organised in collaboration with the International Longevity Centre – India and was conducted to perform an initial evaluation of the geriatric individuals of the Old Sanghvi area.

The Senior Citizens' Association of the Old Sanghvi area had very graciously allowed us to use their headquarters to conduct the camp. Multiple stations were set up for different tests to be performed. The individual was evaluated at each station and the result of the test was recorded there. A separate bed had been set up for an overall musculoskeletal evaluation of the individual.

A baseline evaluation was performed which charted the individuals' height, weight, blood pressure and body mass index (BMI).

Tests that were performed were as follows:

1. PEFR
2. Inspiratory and expiratory muscle strength
3. Timed up and go test
4. 2 minute walk test

The Geriatric Depression Scale was used to identify the level of depression in these individuals. The cognitive function was assessed using the Montreal Cognitive Assessment scale.

The elderly appreciated the camp and we received a very affirmative feedback from them. The major characteristic that was highlighted was the very positive and helpful attitude that was shown by the staff and students of our college. The other feedback given was the appreciation of the variety of functions that were being assessed in this camp. Most of the participants said that they had not considered the effect of age on the cognitive function in any of their previous evaluations.

Overall, the camp was indicative of the different systems that need to be targeted in the elderly individual and was well appreciated.

Module for: Community Helper training module.

Date of Training: 14.06.2019.

Site of Training: D.E.Society's Brijlal Jindal College of Physiotherapy, Pune.

Participants in the camp: Abha Dhupkar, Rutuja Kowale, Mithila Pawar, Rashida Hamid, Farheen Patel, Shikha Vora, Shravani Sathe.

Beneficiaries of the camp: Bahgyashree Deo (Senior Project Coordinator), Aarogya Seva Vardhini Aarogya maitrini.

Number of beneficiaries: 4

Materials used in the camp: Yoga mats, chairs, plinths.

Training details: This training module was taken to educate and prepare the aarogya maitrin for providing specified exercises to people of her community, who have been identified with musculoskeletal problems. The aarogya maitrin was shown exercises for 4 commonly affected regions of the body: the neck, shoulder, low back and knee. She was then asked for her preference amongst these exercise sets. Later the aarogya maitrin was asked to perform the exercises herself and was supervised by the MPT students and staff members. Necessary instructions and corrections were provided to the aarogya maitrin while she showed the exercises. They too cleared their doubts. The training was in preparation for these women to provide exercises to the members of their community, hence they were asked to practise the exercises till they felt themselves to be comfortable in the instructions and performance of the exercises.

The beneficiaries appreciated the method of teaching exercises and were enthusiastic to start practising themselves.

Training details: The college and Seva Arogya Foundation are collaborating on providing physiotherapy care to the low socio-economic strata women, who are unaware and unable to access this component of healthcare.	
The Arogya mairtrins were identified by the prakalp samanvayak, Aarti Shinde. A schedule was set up for them to receive training regarding the exercises to be performed at the college. accordingly, they reported to college at 2 pm and the training session started after introductions of all present. The project was explained in brief and the outline of the session was provided. Exercises were demonstrated twice to the ladies, once on a college student and once on a volunteer from amongst the 5 of the trainees.	
After demonstrating the exercises, the ladies were asked their region of preference. Based on this, the students and trainees divided into groups and the students ensured that the ladies were able to perform the exercises appropriately. The ladies' ability to command or give instructions of the exercise was also checked and appropriate corrective commands were provided to them.	
The whole training session was for 2 hours. The trainees were enthusiastic and eager to start working with the already identified participants at the various SAF OPDs.

To,
The Principal,
Brijlala Jindal College of Physiotherapy,
Pune,

Subject: - Certificate of Appreciation

Dear Sir/Madam,

Greetings from SOFOSH!!

This is to certify that faculty and students of DES (Brijlala Jindal College of Physiotherapy) Pune are treating the family deprived and destitute children at Shreevatsa, the child care center run by SOFOSH since the year 2010. Children are benefited by the therapy and is found to be very satisfactory.

This therapy is indeed helpful for the children and we appeal to the college to continue this engagement of students on an ongoing basis.

We are very thankful to the college for the facility provided to the children at Shreevatsa.

This association will continue in future.

Thank you,

To
The Principal
D. E. Society's Brijlal Jindal College of Physiotherapy
Pune

I, on behalf of Seva Arogya Foundation appreciate you, and your team on the commitment and efforts in the treatment of underprivileged societal group.

Your faculty and students have been instrumental in bringing up the change in wellbeing of these patients by rendering the quality physiotherapy services.

I also would like to appreciate services provided to these patients in our physiotherapy OPDs and during home visits as patient is not in position to visit OPD. All these services offered are without any fees.

The physiotherapists examine the patients and provide counselling about lifestyle improvement in the dispensaries and during the physiotherapy Health Camp. The physiotherapist teach the patients essential exercise and give detailed instructions about daily repetitions. Even when it hurt, you encouraged our patients to persevere. Whether it was strengthening exercises or rehabilitation, your unwavering support made all the difference.

Your unwavering commitment, empathy, and expertise have made a significant impact on the lives of our underprivileged patients. Thank you for being the driving force behind their recovery journey. Your kindness and dedication inspire us all.

Thank you for your support

Regards,
Yours faithfully,

Letter of appreciation
sports - Pune

On behalf of Fit2Sport and DE'S BJ college of Physiotherapy, 4 physios covered a corporate badminton tournament held on the 22nd and 23rd of December 2020 in Pune.

10 teams with 12 participants in each team participated in the event.

The tournament was a good success and all four physiotherapists did a professional job. They actively participated in briefing sessions on management of on-field injuries at the Fit2Sport clinic beforehand.

Following are the names of those who represented Fit2Sport and DESBJCOP.

- 1) Akshay Salve
- 2) Vidhi Kalyani
- 3) Shweta Thakar
- 4) Nakul Nawale

Also want to extend gratitude to the authorities of DESBJCOP in providing better exposure to the students in this field and permitting them to represent Fit2Sport.

Subject: - Certificate of Appreciation

Dear Sir/Madam,

Greetings from SOFOSH!!

This is to certify that faculty and students of DES (Brijlala Jindal College of Physiotherapy) Pune are treating the family deprived and destitute children at Shreevatsa, the child care center run by SOFOSH since the year 2010. Children are benefited by the therapy and is found to be very satisfactory.

This therapy is indeed helpful for the children and we appeal to the college to continue this engagement of students on an ongoing basis.

We are very thankful to the college for the facility provided to the children at Shreevatsa.

This association will continue in future.

Thank you,

I, on behalf of Seva Arogya Foundation appreciate you, and your team on the commitment and efforts in the treatment of underprivileged societal group.

Our patients lose hope and give up, but your faculty and students have been instrumental in bringing up the change in wellbeing of these patients by rendering the high-quality physiotherapy services. Thank you for not allowing them to quit, even when the road seemed tough.

I also would like to appreciate services provided to these patients in our physiotherapy OPD without any fees.

Physiotherapist teaches basic exercise to the patient and gives detailed instructions about daily repetitions. Physiotherapy OPD helped a lot during Post Covid.

Thank you so much for your support.

Yours faithfully,

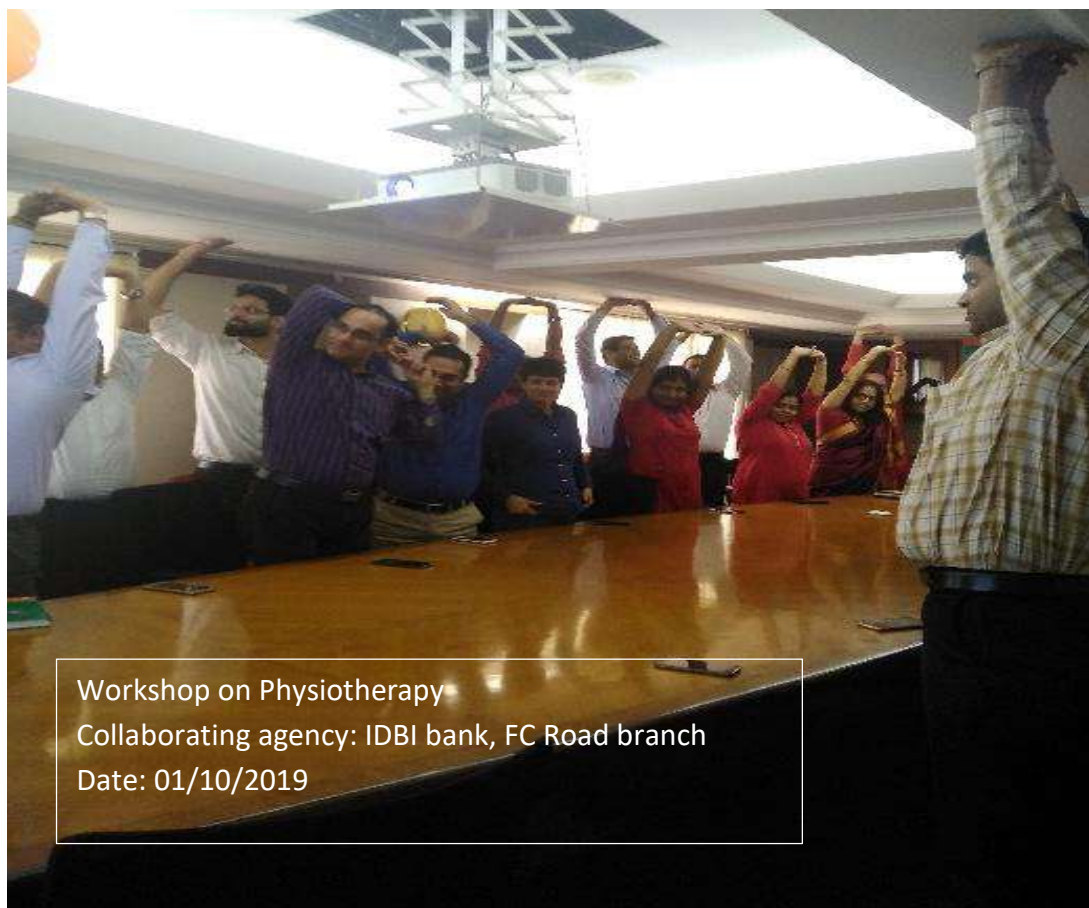

Pradeep Kunte

'Goa Ironman'-MOC event report

Pro sports and bikes had arranged a MOC triathlon for the event of 'Goa Ironman'. They approached DESBJCOP to be the physio partners for the MOC event, held on 08.09.2019.

The cycling event started at 6.30 am from 'Pro sports and bikes', Prabhat road followed by running event of 10 km. There were total 30 athletes who had participated in the event. All of them had completed the triathlon. Around 12 athletes experienced cramps in hamstrings, quadriceps, gluteal, low back regions during the course of event. They were treated by applying techniques like stretching, exercises, manual muscle flushing and myofascial release etc. Hydration of the athletes was appropriately maintained during treatment. Few athletes had an open wound due to fall during running event, which were managed by applying first-aid measures.

Team of 6 to 7 interns and 2 staff were present throughout the event and managed the injuries. Events started at 6.30 am and continued till 2 pm.

Beneficiaries of the camp: Bahgyashree Deo (Senior Project Coordinator), Aarogya Seva Vardhini Aarogya maitrini.

Number of beneficiaries: 4

Materials used in the camp: Yoga mats, chairs, plinths.

Training details: This training module was taken to educate and prepare the aarogya maitrin for providing specified exercises to people of her community, who have been identified with musculoskeletal problems. The aarogya maitrin was shown exercises for 4 commonly affected regions of the body: the neck, shoulder, low back and knee. She was then asked for her preference amongst these exercise sets. Later the aarogya maitrin was asked to perform the exercises herself and was supervised by the MPT students and staff members. Necessary instructions and corrections were provided to the aarogya maitrin while she showed the exercises. They too cleared their doubts. The training was in preparation for these women to provide exercises to the members of their community, hence they were asked to practise the exercises till they felt themselves to be comfortable in the instructions and performance of the exercises.

The beneficiaries appreciated the method of teaching exercises and were enthusiastic to start practising themselves.

Konkar, Kousadikar win titles in Vrukshathon

SPORTS REPORTER
sports@sakaaltimes.com

Pune: Anurag Konkar and Radha Kousadikar ran well under two-hour mark to win the men's and women's Under-40 half-marathon titles in Vrukshathon, a run conducted to spread the awareness of planting and nurturing trees to save environment.

Over 2300 runners participated in Vrukshathon conducted over 21-km, 10-km, 5-km and 3-km distances, by Fitness First and Support Sakal on Sunday.

The 21-km run began from BMCC ground and headed on to Senapati Bapat Road, Pashan and Bavdhan and back. The 10-km run took the same route, but only till NCL and turned back to finish at the starting point.

Those present for the

To,
The Principal,
Brijlal Jindal College of Physiotherapy,
Pune,

Subject: - Certificate of Appreciation

Dear Sir/Madam,

Greetings from SOFOSH!!

This is to certify that faculty and students of DES (Brijlal Jindal College of Physiotherapy) Pune are treating the family deprived and destitute children at Shreevatsa, the child care center run by SOFOSH since the year 2010. Children are benefited by the therapy and is found to be very satisfactory.

This therapy is indeed helpful for the children and we appeal to the college to continue this engagement of students on an ongoing basis.

We are very thankful to the college for the facility provided to the children at Shreevatsa.

This association will continue in future.

Thank you,

SHARMILA SAYED
