

With the consent of the respected chair of LMC, the Curricular feedback received from various stakeholders of the previous year was presented and discussed in the LMC meeting of 16/09/2022.

Apart from the above, action taken and / or proposed for the coming academic year was deliberated and noted as follows:

Suggestion / Feedback	Action Proposed
Little more workshops	The college periodically incorporates workshops offering varied clinical and practical based skills to the students. If found feasible, more workshops on relevant topics will be proposed for the upcoming academic years
More support to student during clinical postings	The college adheres to the policy of supervised clinical practice and students are given timely feedback by the faculty posting in charges about their clinical abilities during daily postings.
AHA certified BLS, ALS should be mandatory and included in the curriculum	While the college conducts BLS workshop for the students, it will be notified to the MUHS
Recent advances must be brainstormed from final year itself	Will be notified to the MUHS
Shifting attitude towards a learning based rather than just exam-oriented curriculum	Will be notified to the MUHS

Chairman, LMC
